PROFILE

Primus is the Programme Director of Oncology Postgraduate training at the University of Nairobi. He is both a lecturer and a consultant clinical oncologist at Kenyatta National Hospital. Prior to taking up this post, he had a placement at Christie Oncology NHS Trust (UK) to benchmark on Postgraduate medical education. He is currently taking fellowship training in advanced Radiotherapy namely Cyber knife, stereotactic radiotherapy, and interstitial brachytherapy in India. He has keen interest in research, and he is the principal site investigator of Unitid oncology clinical trial site at University of Nairobi. To achieve all these, he is keen on collaborating with various training centers in the developed world in areas of training, research, and skills development.

DATED 12/06/2023

Signature
